

Mega T-Series™

LIGHTHEADS

TRIO™

Mega T-Series lighthead builds on the versatility and reliability of our popular T-Series lighthead. The high-performance warning and illumination lighthead features TRIO™ technology, allowing individual control of each color. With a streamlined and low-profile design, the lighthead is engineered to seamlessly integrate into various vehicle applications for a sleek and unobtrusive look.

PSJC3FCR

FEATURES

- Hard-coated lenses resist environmental damage from sand, salt, sun, and road chemicals
- Conformal coated electronics for moisture, vibration, and corrosion resistance
- Patented E Block™ technology prevents air and moisture from entering the lighthead
- Each lighthead contains 36 Linear Super-LED® diodes
- Steady Lock™ enabled lighthead can be set to steady automatically when used with a CenCom Core® control system
- 73 Flash Patterns Including Steady-Burn
